HAYSI HIGH SCHOOL

THUNDERBOLT

Volume XXXVIII

Presented By:

The 1993-94 Journalism Staff

As the Editors of the 1994 Thunderbolt, *we have worked with the yearbook staff to try to ensure that this edition records the events of the 1994 school year and represents the members of the student body. The duties that come with the editors' positions require a great deal of time and effort. Countless after-school hours are spent sorting pictures, correcting pages, editing copy, and checking proofs. Although the work is trying, the final result is well worth the effort.*

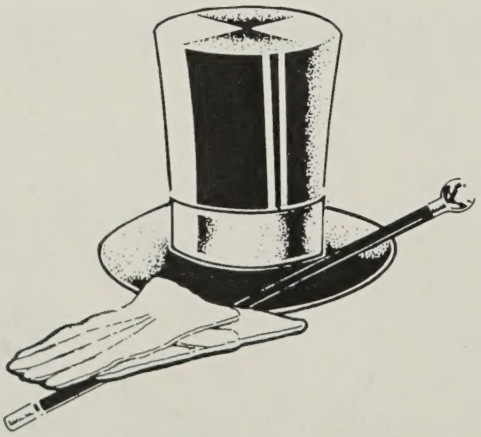
As you turn the pages of the 1994 Thunderbolt, *we hope that you also come to believe that the final result has been worth the effort. As you review the year's events and look at the pictures of you and your friends and classmates, we hope you appreciate the effort it took on the part of each and every member of the Journalism Staff to bring this yearbook to you.*

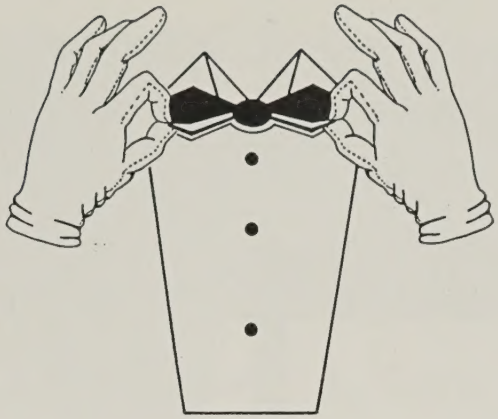
We would like to give a big "Thanks" to Mrs. Robin Charles for all of her hard work, effort, and dedication in giving up her spare time to produce a yearbook with "A Touch of Class." We truly appreciate her friendship and love. We will miss you!

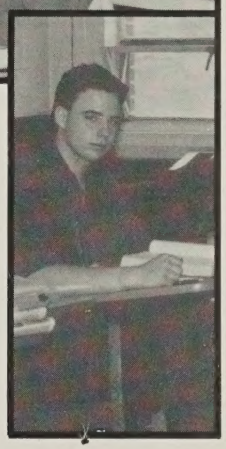
We would like to thank the Journalism Staff for putting up with us throughout picture days, assignments, and deadlines. Although we may be hard to deal with at times, we deeply appreciate your work and the fellowship we have enjoyed with you throughout the year.

As we leave our senior year, we hope that the ideas and expressions of our theme, "A Touch of Class," will serve as an inspiration for yearbook classes of the future. We would like to thank you all for the memories we will hold of our years at Haysi High School.

Channie Bostic & Michelle Branham







A TOUCH OF CLASS

Through hard work and effort the 1993-94 Journalism Staff has created a unique, yet Traditional, yearbook. The Yearbook Staff decided it was time for a change. Since they consider themselves to be a "Class with Class," they decided to go back to the Traditional style Thunderbolt. A Touch of Class was intended to show the more classic side of the students and their memories of the 93-94 school year. We, the Yearbook Staff, think we have achieved that goal. We hope that as you turn through these pages you see the truly *CLASSIC* atmosphere here at Haysi High School, created by the CLASSY people you are.

The Class of 94 has reached a threshold in life. Throughout the years we have walked through many doors, opening and closing them at will. Now, as we stand ready to open yet another door, we realize there is one door we must first close forever.

We opened that door long ago. The years have passed by like tears slipping down our faces. We have laughed, learned, loved, and lived life to its fullest. Through it all we have drawn close to each other, learned to rely on each other, grown to love one another.

Now with conflicting emotions, we rush to open a new door knowing that even as we open it, we close the old door on all that we have shared. Though crossing the threshold will take each of us into a new life, let us step across the threshold secure in the knowledge that we will always be united in memory as the Class of '94. We must say good-bye to friends we cherish, so let's look long at one another, indulge ourselves in memories of moments shared, then slowly close the door.

Administration

I congratulate you, the Senior Class of 1994, on your graduation from high school. You have reached another milestone in becoming successful and contributing members of society. You have already met and mastered many challenges during your formal schooling and are to be commended for the hard work you have done. I wish all of you the very best in whatever you may do in the future.

Whether you choose to attend college, attend a vocational school, join the military, or take a job upon completing of high school, I hope that you have the skills and knowledge you may need to succeed. On behalf of the faculty, staff, and administration of Haysi High School, I challenge you to always strive to be the best you can be. Always remember that you are important and you determine what you become.

George Rasnake
Principal

In these pages you will find many personalities of the faculty, staff and students, especially Seniors, that make up the real Haysi High School. The activities of study, work, and play have enriched the lives of all who have been a part of this large family.

Now we thrust our Seniors, our grown "children" out into society and know we have sufficiently educationally nurtured you that you may confidently seize opportunity, struggle, and persevere.

Seniors, the future is great and promising. Please return to us often to visit so we can reminisce of the good times and share in your success. We are counting on you!

YED

Participants at the fourth annual Youth Economic Development Summit were teams from 25 of the 27 high schools in the coalfield counties and the city of Norton. The representative for this year's summit from Haysi was Aaron Mackey.

Aaron learned that successful economic development depends upon a well-trained and technically competent work force. The dropout problem was portrayed as a monumental cost to society and hence, a deterrent to successful economic development.

Teams are expected to share their economic development learning with peers, both students and teachers, school administration, PTA chapters, civic clubs and with other community audiences.

The class also plans to do at least one full-length production for the student body and public.

Speech and Drama develops communication skills essential for success in every aspect of life, focusing on speaking, broadcasting, drama, and skit-writing.

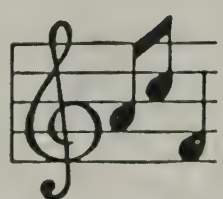
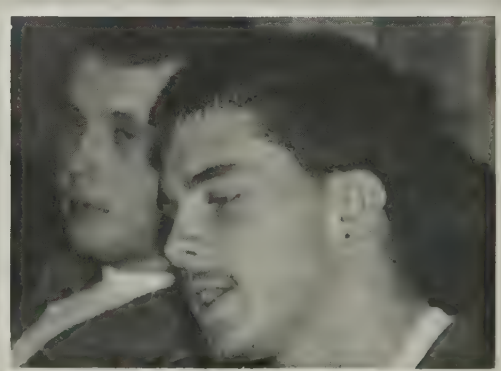
How can I mess this song up?

I messed up again!

Sing? With this smile.

Do I have to sing?



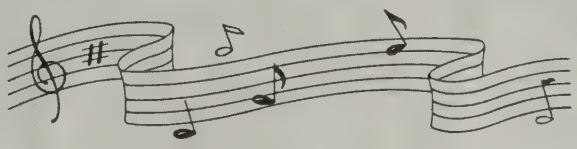


Chuck is seriously singing!

You have got to be kidding!

I hide behind my music.

If I could only read the music



They're singing me to sleep!

Bored Chris?

This is so thrilling!

Forensics

The Hayst High School Forensics Team has been tremendously successful over the past few years. Their promotion of literary readings and public speaking is served through the help of the English Department. With several straight district titles under their belts, the forensics team have proven their excellence on a competitive level. Last year three members of our team, Autumn Hutchinson, Heather Turner, and Stephanie Hill had the honor and privilege to travel to Charlottesville High School in Charlottesville, VA to compete at the VHSL State Forensics Competition, held March 26, 1993. The forensics team would like to extend heartfelt thanks to Mrs. Debra Colley, whose help and guidance have made it all possible. Stephanie, Autumn, and Heather would especially like to extend to Mrs. Colley gratitude for believing in us and our ability to be our best.

Creative Writing

The Creative Writing Team is composed of students that exhibit excellence in literary composition. The categories involved in the competition are essay, poetry, and short story. Out of a number of works submitted by students over the course of the school year, two essays, two poems, and two short stories are chosen and submitted to the Virginia High School League to be judged.

Electronic Classroom

Team Odyssey is a gifted educational program for students at Haysi High School. It's purpose is to provide individual projects in classroom enrichment and independent study. These classes range in many different areas of the educational system.

Team Odyssey

Coach Poston

The 1993 Girl's Softball Team started their season with high hopes. They played out the season with hard work and effort. Even though the season didn't go as well as it could, their coach, Mr. Poston, feels that the girls played their best and learned from their mistakes. The highlight of their learning experience was participation in the Winged Deer Invitational, a tournament held in Johnson City.

Coming in to the new season, Mr. Poston will lose four Seniors, three of these being starters. Despite this loss, he sees potential in his returning players and expects to be a dominant team in the BDD.

The 1993 baseball season was a rebuilding year with having lost 8 of 9 starters from the previous season. With a limited number of seniors on the team a majority of the team was inexperienced early in the season but by the end of the year we were playing very good baseball and the future looks good.

J.V. Girls Basketball

The 1993 J.V. girls basketball team had a very successful season. Their measure of success is not measured only by their 16-4 record, but also by the great attitude, desire, and love for their teammates that they displayed during the summer camps and throughout the season. This team unity, and willingness to work hard is sure to lead these girls to success as they move on to the next level. As a coach I really enjoyed the 1993 season and I wish the girls the best in their future endeavors.

8th Grade Basketball

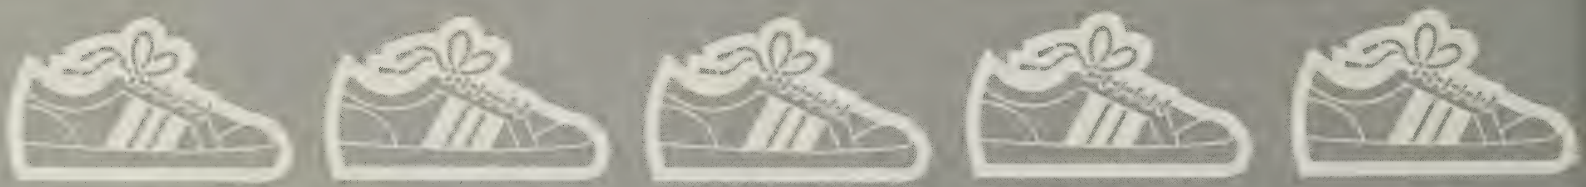
J.V. Basketball Cheerleaders 93-94

First Row: Ashley Delaney — 8th grade; Becky Yates — 8th grade; Monica Turner — (Coach) Lori Owens — 8th grade; Rosa Mullins — 8th grade; Second Row: Kristy Hackney (Captain) — 9th grade; Nikki Hackney — 8th grade; Lindsay Baker — 8th grade; Natasha Hix — (Co-Captain) — 9th grade.

Boys J.V. Cross Country

Despite being a small team this season, the boys ran well and with a lot of spirit. This team will develop into a good varsity team in the years to come.

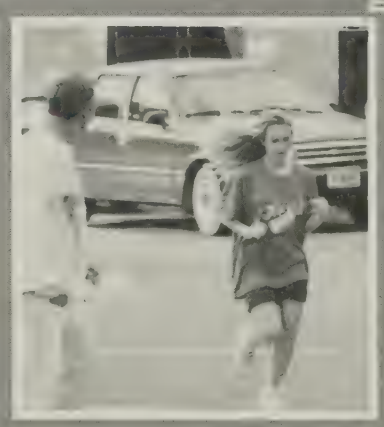
Pictured from left to right: David Owens, Brett Compton, Erik Mondrave, and Corey Bostic.



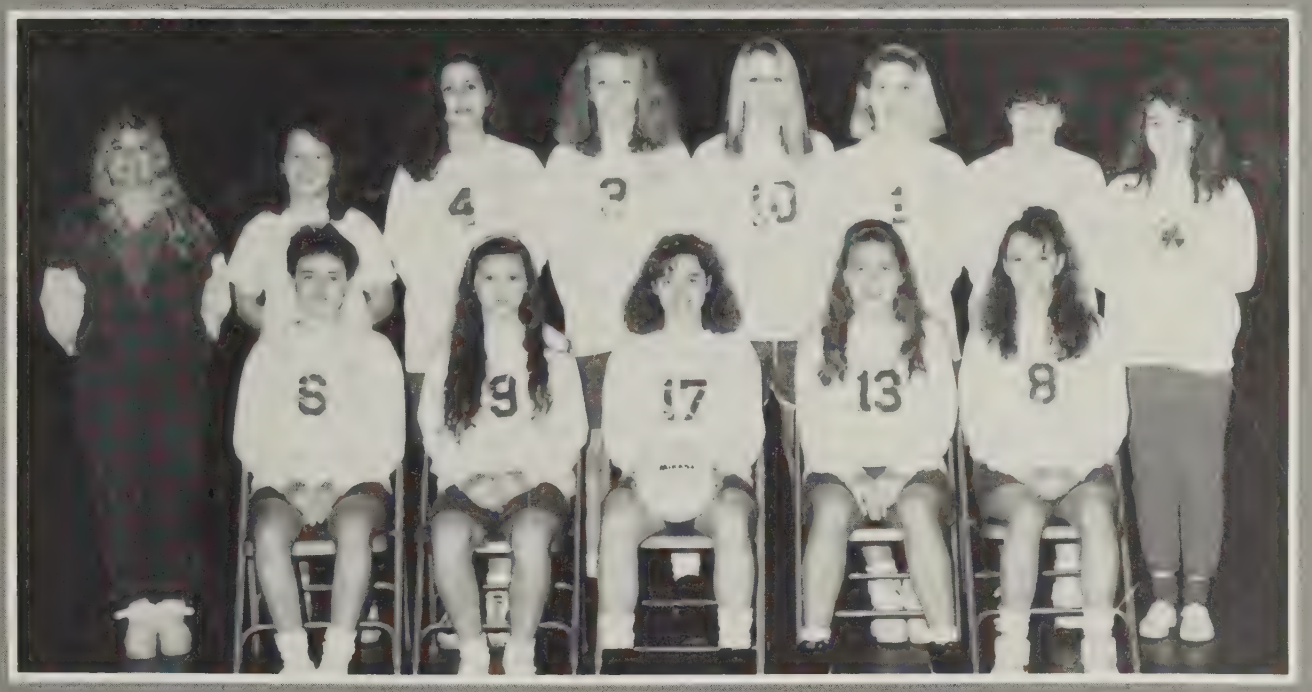
Girls J.V. Cross Country

The year for girls J.V. team showed a good season with very few seniors. With proven student participation, this could be a strong team.

Pictured from left to right: Sarah Tiller and Jessica Salyers.



J.V. Volleyball



First Row: Lyssie Boyd, Amanda Fuller, Melodye Branham, Heather Justice, Wendy Davis. Second Row: Coach, Lisa Delaney, Dara Fleming, Andria Fuller, Michelle Stanley, Nicole Stanley, Amanda Taylor, Melina Charles, Bonnie Mullins. Not Pictured: Misty Mullins, Andrea Stapleton.

As the new coach of the Haysi High V-ball; Varsity and J.V. team, I am very excited about the potential of these players. With hard work, dedication, and a positive attitude great things can happen. Good Luck! Coach, Lisa Delaney
